“A Good Place to Trade”

The high cost of living induces us to meet the issue fairly and squarely with a lower scale of prices on new furniture without, however, lowering our usual high standard of quality. Every piece comes from reputable makers who have co-operated with us along economic lines and our combined efforts have produced values that heretofore were thought impossible.

A few things worth knowing—this is not a new store just starting, we have been doing business right here in our own store for more than twenty years.

We operate ten large hustling stores, buying and selling more house furnishings than any other store in New England. We deal direct with the factories, paying spot cash for our merchandise, there is just one small profit between you and the maker.

Sometimes you will want merchandise we sell, when that time comes remember our merchandise is good, our prices reasonable, our terms fair. A few things having a National reputation:

WE SELL

GLENWOOD RANGES, WHITE MOUNTAIN REFRIGERATORS, DOMESTIC SEWING MACHINES, CALORIC FIRELESS COOK STOVES, HOOSIER KITCHEN CABINETS, BIGLOW CARPET CO'S. RUGS, ETC.

Come and see us. The latch string is always out

Poole's 150° Water White Oil

It is not made from the cheap asphalt base crudes of the West and Middle West that form the basis of so many skilfully made imitations. It is the safest illuminating oil that can possibly be reduced—has a fire test of 150° and a gravity of 49°—extra fancy water white in color—the cleanest and purest lamp-oil made, does not contain the smallest particle of carbon or other impurities. It is thoroughly refined, and filtered and refiltered until every atom of foreign substance is eliminated—A Quality Oil in every single detail, it's the prime favorite in every home wherever it has been tried—it's the real Family Favorite. SUFFIELD, CONN

The Best Advertising Medium

IS THE CITY DIRECTORY

Because—It is Used the Most to Find Just Such Information
You Most Wish to Have the Public Know

First—What line of goods you handle. Second—Where you are located. Pick up a City Directory anywhere and almost invariably you can tell who the progressive, up-to-date merchants and professional men are. There are many brands of clothing, shoes, dry goods, groceries, etc., and some prefer one kind, some another. What better place to state your special brands than the CITY DIRECTORY?
